### November, 2024

We are down to the final 90 hours of **language classes!** We have had a handful of slow, but longer conversations in Romanian, and we are just beginning to learn nuances, popular sayings, humor, etc. We are also understanding more of the sermons at the local church we attend, while our kids attend classes taught in Romanian. Our kids are starting to catch on and love reciting Romanian numbers 1-10 to anyone who will listen! Starting in the new year, God has opened up some opportunities for Ben to preach in Romanian. **Please pray for his sermon prep and continued language progress to this end.** This will be an important next step on our way to starting a church for Deaf and hearing!

Our children singing at church with 2 older kids.

While prioritizing learning Romanian, the Lord has brought **some non-Romanians** into our lives. Our babysitter's husband, D., is from Spain and Ben has met him for coffee on several occasions. Ben also connected with a Japanese couple that is here doing mission work with college students. Marie continues to invest in her relationships with our Argentinian babysitter, J.P., our Lebanese friend M.K., and even long-distance with a single lady from the US that is planning on mission work in India!

Please be in prayer as **Ben will be traveling** the first of the year (January 1-16) to India with our mission board director, David Bennett, for two weeks. They will be teaching and training pastors in their personal walk with God and the spiritual disciplines. **Pray for safe travels, clear communication, spiritual understanding, and safety for Marie and the little ones.** Thankfully the Lord has already provided extra help for Marie while Ben is away travelling!

We had the opportunity as a family to go to a **conference for missionaries** by missionaries in Germany. It was a blessing to hear of what God is doing across Europe, reconnect with members from two of our supporting churches that were visiting, and **Ben was able to share a brief testimony!** In spite of the kids getting sick during the conference, we left encouraged and grateful for our lives here in Bucharest!

**Baby number 4** is progressing well, per recent ultrasounds. We anticipate having our baby boy here, February 2025. Marie's fatigue lightened up considerably mid-October, allowing her to complete some online requirements for her Registered Nurse license and attend language school. **Thank you so much for praying! Please also pray for a vehicle for our growing family.**

Many of you have been **praying for Alex**, the young Romanian man that Ben discipled. His move to another city has gone well, he is excited about serving in the local church, and enjoys his new job! The updates that Ben has gotten from him since his move have all been encouraging, and he is continuing to grow in the Lord! **Thank you for praying for Alex!**
