Thank you so much for your prayers for Ben's recent **trip to India**, January 1-16! The Lord blessed, and it was a wonderful trip. Ben was able to preach in a church of Deaf and hearing, **co-teach a retreat for pastors** (see **picture**), and witness to a young man about his personal need to trust Christ! In addition, the time spent with our mission's international director was invaluable as it gave greater clarity on plans and goals for this first term in Romania!

The second half of January and beginning of February was mainly focused on taking care of the family. Everyone was sick and then Marie was on bedrest, awaiting the arrival of our new baby boy. On **Friday, February 14th**,

Victor was born at a healthy 9 lbs. 7 oz! Marie and Victor are steadily recovering and we are all adjusting to life with the new addition. *Please pray that all of Victor's documents from both the US and Romanian governments would be acquired quickly and with little friction.*

Ben has returned to **formal language studies**

solo, as Marie focuses on recovery and taking care of the newborn. Thankfully the Lord has already provided her a language helper on our street! Retired Doctor Aura has been thrilled to converse with Marie in Romanian and they have met several times. Ben is also grateful for his new professor, Bogdan, and is looking forward to completing the remaining 50 class hours with him. We have both seen steady improvement in our language acquisition and we are grateful for your

faithful prayers for us in this essential aspect of life and ministry on the foreign field. *Please continue to pray for us as we use the Romanian language more and more!*

Ben and his new language teacher, Bogdan.

Through our growing network of relationships that we have developed over the last two years here in Bucharest, the Lord has brought into our lives a group of **five young Romanian believers**. The Lord has been working and leading and they have **requested a weekly Bible study!** We look forward to covering key Biblical events and what they reveal about God and our relationship with Him from creation to Christ. While this will take time to work through, the study will lay a strong foundation for them, their Christian lives, and their evangelism. *Please pray for their faithfulness, growth, and for clear communication as this Bible study will be in Romanian!*
